

Fume Hood Service Package

Reduce the burden of fume cupboard compliance with our full service solution.

TION's comprehensive service package ensures compliance with EN14175 standards throughout your laboratory.

We provide a customised, online asset register listing your cabinet type, location, serial number and test certificates free of charge, in addition to observation notes and recommendations.

From DOP and airflow tests to calibration and general maintenance, we have you covered regardless of cabinet type or brand.

It's simple, efficient and digital.

Key Benefits:

- ✓ We service all cabinet types regardless of brand.
- ✓ Certified to industry EN14175 standards
- ✓ Tests include DOP and airflow.
- ✓ Full, online asset register including location, serial numbers and certificates.

Nationwide Coverage

We cover Scotland, England, Wales and northern Ireland.

Custom Contracts

We offer 1, 2 and 3-year service contracts to suit your business.

On-Site Maintenance

If it's broken, we'll fix it on-site, no questions asked.

Digital Documentation

Tired of paper? We store all of our documentation and certificates online.
